Subject: Re: FRE 408 - confidential

Also - do we have any update on class cert issue discussed the other day?

Howie - attached find a draft letter we are considering sending, subject to internal and client review and comment. (There may be some minor changes but this is general idea of what we'd send). We understand from akin that you guys may send something as well. Please send us a draft for our review prior to filing so we are all consistent.
